### About Avicanna Inc.

Avicanna is a commercial-stage international biopharmaceutical company focused on the advancement and commercialization of evidence-based cannabinoid-based products for the global medical and pharmaceutical market segments. Avicanna has an established scientific platform including R&D and clinical development that has led to the commercialization of more than thirty products across various market segments:

**Medical Cannabis & Wellness Products:** Marketed under the RHO Phyto™ brand these medical and wellness products are a line of pharmaceutical-grade cannabinoid products containing varying ratios of cannabidiol ("**CBD**") and tetrahydrocannabinol ("**THC**"). The product portfolio contains a full formulary of products including oral, sublingual, topical, and transdermal deliveries that have controlled dosing, enhanced absorption and stability studies supported by pre-clinical data. The formulary is marketed with consumer, patient and medical-community education and training.

**Pharmaceutical Pipeline:** Leveraging Avicanna's scientific platform, vertical integration, and real-world evidence, Avicanna has created a pipeline of patent-pending drug candidates that are indication-specific and in various stages of clinical development and commercialization. These cannabinoid-based drug candidates look to address unmet medical needs in the areas of dermatology, chronic pain, and various neurological disorders. Avicanna's first pharmaceutical preparation (Trunerox™) is in the drug registration stage in South America.
