

Avicanna To Hold Third Quarter 2023 Earnings Conference Call

TORONTO, Nov. 01, 2023 -- Avicanna Inc. (“Avicanna” or “Company”) (TSX: AVCN) (OTCQX: AVCNF) (FSE: 0NN), a biopharmaceutical company focused on the development, manufacturing, and commercialization of plant-derived cannabinoid-based products, invites interested parties to participate in a conference call with Aras Azadian, Chief Executive Officer, and also Phil Cardella, Chief Financial Officer where Mr. Azadian and Mr. Cardella will discuss the Company’s Third Quarter 2023 financial results. The Company will file Third Quarter 2023 financial results after the close of market on November 14, 2023 and will host an earnings call at 8:30 am ET on November 15, 2023. Interested parties may join the earnings call by logging onto the following link <https://www.bigmarker.com/avicanna/Earnings-Call>.

About Avicanna Inc.

Avicanna is a commercial-stage international biopharmaceutical company focused on the advancement and commercialization of evidence-based cannabinoid-based products for the global medical and pharmaceutical market segments and delivering a comprehensive medical cannabis care platform in Canada. Avicanna has an established scientific platform including R&D and clinical development that has led to the commercialization of more than thirty products across various market segments:

- **[Medical Cannabis & Wellness Products \(RHO Phyto™\)](#)**: The formulary offers a diverse range of proprietary formulations including oral, sublingual, topical, and transdermal deliveries with varying ratios of cannabinoids and is supported with ongoing patient, and medical community education. RHO Phyto has been established as a leading medical brand in Canada and is currently available nationwide to patients across several medical channels and continues to expand into new international markets.
- **[Pharmaceutical Preparations and Pipeline](#)**: Leveraging Avicanna’s scientific platform, vertical integration, and real-world evidence, Avicanna has developed an extensive a pipeline of patent-pending drug candidates that are indication-specific and in various stages of clinical development and commercialization. These cannabinoid-based drug candidates look to address unmet medical needs in the areas of dermatology, chronic pain, and various neurological disorders. Avicanna’s first pharmaceutical preparation (Trunerox™) is in the drug registration stage in South America.
- **[MyMedi.ca Medical Cannabis Care](#)**: MyMedi.ca is Avicanna’s medical cannabis care platform that is formed with the aim to better serve medical cannabis patients’ needs and enhance the patient journey. MyMedi.ca features diverse and scientifically curated products from leading Canadian licensed producers in addition to pharmacist-led and bilingual patient support programs with educational resources to facilitate the incorporation of medical cannabis into health care regimens. MyMedi.ca also provides specialty services to distinct patient groups such as veterans and collaborates with public and private providers for adjudication and reimbursement.
